

Horse needs to be rehomed (Newalla) (United States)

Location **Oklahoma**
<https://www.genclassifieds.com/x-435852-z>

I have a 23yo thoroughbred mare named Sooki who needs a new home asap. She was my wife's horse and I don't have time or assets to care for her anymore. She's broke but hasn't been rode in a while so she needs someone who's good with horses to take the reins and remind her. I would appreciate a rehoming fee just to make up a bit but not.
