Very affectionate kittens. Somebody dumped them at the campground. You can tell they belonged to somebody and were raised around a family. The kittens are still too young to spay or neuter yet.

One Tortoise shell - female
One Black/White tuxedo- male

One medium haired Grey/White tuxedo- female ADOPTED ALREADY
One Black- male ADOPTED ALREADY

We will deliver the kittens to you anywhere in the Oklahoma City area, or as soon as they have new homes arranged so that we can deliver both in one trip. It's always best if you can visit our cat sanctuary in Wewoka if possible so that you can see which cat picks you. Our sanctuary is very easy to find, just one mile east of Highway 59 and Highway 270 junction, on 270 (not the Business 270). We are just west of Town and Country Auto, on the same side of the highway. Our address is 36667 EW 1304 Road, Wewoka, OK 74884. We are their only neighbor. It's about 80 miles east of Oklahoma City but well worth the trip to let a new family member pick you out.
