Hello Everyone!

We are a pair of roaming artist-musicians heading back to one of our favorite cities and looking for a spot to park our fabulous little home for the summer. We can offer cash or work-trade (gardening and clothes making are our specialties, but we're open to anything), we won't need to use any of your facilities or utilities, and we make excellent neighbors! I (Julianna) am a flamenco dancer, singer, seamstress, and fiber-artist, and Derren (my boyfriend) is a painter, flamenco guitarist, and gardener. You can check out our websites at [mahavia.com](http://mahavia.com) and [ddcrosby.com](http://ddcrosby.com). We live out of our charming gypsy camper (see photos), it measures 12 x 8 x 8 when it's off the truck, and a bit more when it's on. A semi-private driveway, backyard, or any out-of-the-way place is ideal. Thanks so much for reading- hope to hear from someone!
