Take lessons with a working musician with almost 20 years experience teaching students of all ages, Alex Tomaino.

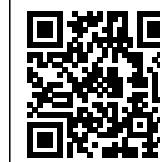

Every student is different, so every lesson is different. When you study with me, you focus on what you want to do, not a one-size-fits-all lesson plan.

I've taught guitar (including songwriting and theory) at the Austin Live Music Academy (ALMA) founded by Jerry Jeff Walker, and at music schools around Portland. And I've played lead guitar and bass for numerous rock, blues and jazz bands across the country.

I now teach in my new studio on SE 92nd Ave, convenient to just about everywhere in Portland plus Milwaukie, Clackamas, and Happy Valley.

Lessons are tailored to your needs, tastes and skill level--beginner to pro. No registration fees. No long term commitment. CREDIT CARDS ACCEPTED: VISA, Mastercard, Discover, American Express.

Call me on my new landline (please note: this number does NOT accept texts) or text me on my cell Or you can email [alextomaino \[at\] gmail.com](mailto:alextomaino@gmail.com) or visit my website, <http://www.alextomaino.com> to learn more, and read recommendations from other students and stundents' parents.
