

Limb and tree trunk haul away (Edmond)

Location **Oklahoma** https://www.genclassifieds.com/x-435904-z

I have a very large pile of branches and tree trunks that i need hauled away and disposed of. The pile is about 40 ft from parking access. Will need a very large trailer or multiple trips. Would be best if you could come look at it before making a bid.

In Edmond near Santa Fe and Danforth
