I have a young Bengal cat only 5 months old and he requires a lot of attention and care. I will need someone that can devote a lot of time and even be willing to live in my home while i'm away. You will have have total freedom to make my home your own while here, use my cable, internet, backyard, grill, and swimming pool. Groceries provided by me! Nonsmoker is an absolute must. Not even outside. If you smoke, don't waste our time replying. You must be willing to agree to a background check and references are a plus. Compensation is negotiable.
