Want to earn \$ while learning real estate investing?

We are a private group of real estate investors that wants to convert you from your JOB mentality into a business owner, passive income mentality.

Are you frustrated and fed up with your cubicle/office job?

Are the sales commissions you're earning not creating your dreams?

Tired of watching your company/boss make all the money while you give your "time for dollars"?

This is not a 9-5 job, but an opportunity to create six figure income and do it on YOUR terms not theirs. Earn commissions and do real estate deals with us instead.

Job duties include:

Working from home and setting your own hours

Setting simple appointments of interested candidates

Becoming educated on real estate strategies

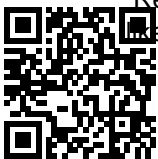

Creating offers and contacting potential buyers and sellers

Follow-up with clients via phone or email

Attend real estate workshops and network events

**\*\*Commissions are direct deposited on Tues/Fri (8X month)\*\***

Real estate, marketing, and sales experience a plus, but not required. Email your NAME/PHONE NUMBER/PREFERRED EMAIL and we will contact you. If it sounds like a go, we'll extend an offer to our company.
