Want to earn \$ while learning real estate investing?

We are a private group of real estate investors that wants to convert you from your JOB mentality into a business owner, passive income mentality.

Are you frustrated and fed up with your cubicle/office job?

Are the sales commissions you're earning not creating your dreams?

Tired of watching your company/boss make all the money while you give your "time for dollars"?

This is not a 9-5 job, but an opportunity to create six figure income and do it on YOUR terms not theirs. Earn commissions and do real estate deals with us instead.

Job duties include:

Working from home and setting your own hours
 Setting simple appointments of interested candidates
 Becoming educated on real estate strategies
 Creating offers and contacting potential buyers and sellers
 Follow-up with clients via phone or email
 Attend real estate workshops and network events

Commissions are direct deposited on Tues/Fri (8X month)

Real estate, marketing, and sales experience a plus, but not required. Email your NAME/PHONE NUMBER/PREFERRED EMAIL and we will contact you. If it sounds like a good fit, we will extend an invite to our company.
