Hello,

Are you interested in getting outside and enjoying Utah? Whether you are on vacation or Utah is your home, please contact me and I will help you engage the outdoors on your own terms, with whatever hobby interests you. I can take you on a local bike ride or we can go for a week or 2 to some of the best places Utah has to offer. I can show you some of the best local fishing holes, including in big and little cottonwood canyons. We can go on a full day hike to some local hot springs. I can take you river riding, rafting or kayaking on any river in Utah, Colorado, Wyoming, or Idaho. I can cater to whatever your needs may be. Private one on one to big groups are welcome. My rates are very fair and more than competitive. I can provide a glamping type experience for a fraction of the cost of the competitors.

No excursion is too long or too short. I can be available for all day, half day, a couple hours to go fish or hike, or I can be available for a 2-3 week rafting trip. Outdoor fun is waiting at your fingertips, just call, text, or email. Thanks
