

Looking for Bass Player (Bomoseen)

Location **Vermont**
<https://www.genclassifieds.com/x-436051-z>

Looking for baby boomer aged (or younger), experienced bass player to start band. Have lead and vocals, and keyboard, just need a serious bass to complete, someone reliable which seems to be a hard thing to find lately. I'm a drummer, have played for years, play 50s, 60s, 70s. To jam and play out. Give me a call, we'll.
