This is Betsy. Betsy is looking for her besty, as in best-friend. Betsy is eager to please; she knows Come and Sit. Betsy is both playful and well-behaved; she lives peaceably with dogs, cats and birds. She is interested in the birds, but leaves them alone when called away. Betsy loves receiving attention from children, she is a joyful, confident, well balanced girl. She has been around children aged 6 through 15. When her people are at work or sleeping, Betsy stays in her crate with a special chew toy. Betsy is quite the talker . . . she will let you know when she needs to go outdoors, as well as her thoughts on new situations. Her foster mom says about Betsy: she is total sweetheart who not only loves to play, but will also crawl onto your lap for a nap. She is engaging--watching her people's every move, the better to anticipate how to please them. If you are looking for a new besty, come meet Betsy.

Betsy is a 20 lbs., 4-month old, female Pibble. She is spayed, vaccinated and micro-chipped. An application with references, a home visit, and an adoption fee are required to adopt Betsy. Reply to this posting for.
