

Now Enrolling for FALL 2015 (Essex)

Location

Vermont

<https://www.genclassifieds.com/x-436061-z>

Muddy Hands is now enrolling preschool for Fall 2015 in our new, spacious child care center located in Essex. Conveniently located on route 15 near the Essex Outlets. We employ caring and educated teachers who follow a child-centered curriculum. The daily schedule includes outside play and rotations in our learning centers which include process art, reading/writing, math/science along with other areas which change based on child's current interest. Preschool children will engage in circle time and kindergarten readiness activities. Teachers use their ongoing observations of the children to determine their interests and plan curriculum accordingly. Parents will receive a copy of the curriculum, newsletters as well as pictures on our private Facebook page. Please email or call for more information or to set up a tour.
