

Maintenance Positions for Apartments in Seattle

Location **Washington**
<https://www.genclassifieds.com/x-436100-z>

We are a property management staffing company currently looking to fill positions to work in new apartment buildings in Seattle. Many of these are part-time gigs, but we also have some full & part-time positions available.

Maintenance / Service Technician positions include, but are not limited to, painting, changing light bulbs, cleaning, getting apartments ready for move-in, basic repair, and moving items.

The apartment buildings we staff for are located in Capitol Hill, Belltown, South Lake Union, Downtown, Queen Anne, Ballard, Magnolia, University District, Wallingford, West Seattle, Bellevue, and surrounding areas.

Please attach a copy of your resume or list of applicable experience when responding via e-mail, and a staffing specialist will be in contact with!
