

Apple Mac Desktop (375 USD)

Location **South Carolina** https://www.genclassifieds.com/x-436142-z

Mac desktop unit for sale

Taken to Apple store for fresh install of OS X- full diagnostic and updates and cleaning of inside components were done in store- I had them set it all up for a new user, so its a clean slate

Fully software loaded with updated full Microsoft Office Suite (Word, Excel, Powerpoint, Entourage etc.) Updated iLife (Garageband, iMovie, iPhoto, iDVD etc.)

case is in very good shape and taken care of!

Four sticks of RAM, Super drive, 250GB, Built in wifi-n airport extreme, and bluetooth the works very secure computer- Macintosh computers do not get viruses and are very long lasting!

Very quiet and powerful machine for anyone, for secure business and emails, as well as secure web browsing, music/film production, photo editing etc. comes with a nice LCD screen, new mouse and keyboard-

full apple setup this is an awesome value for apple quality,

first 375 gets it text or contact me anytime at
