Hello,

I have 14 years' court reporting/transcription/proofreading experience including civil/criminal courtroom coverage of depositions, hearings, trials, etc. I also have in-depth experience with business meetings, focus group, interviews, YouTube videos, digital recordings, medical, and confidential to name a few. I can CONVERT ANY AUDIO FILE FOR TRANSCRIPTION.

I have a fully equipped up-to-date home office ready to delivery exceptional, quality, and timely transcripts with your style requests for optimal results.

I am easy to get ahold of for your last-minute needs/rushes and understand the dynamics of the business with its ever-changing deadlines, personal format requests and style needs and work well independently with little direction.

** I have open availability and can start right away.

I have 24/7 access to an email account and high-speed internet.
