Dont be forced to make a decision based on finances alone !

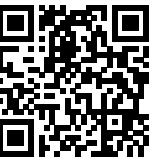

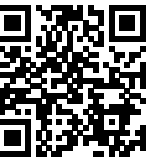

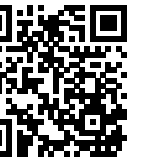

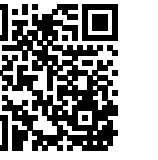

Protect your self your loved ones your investment

Being that i am a 4th generation automotive technician and sales consultant with over 100 years of honest business between my forefathers and i offer some very expensive advise !

Only maintain your German Highline vehicle with a trained professional
 These are not chevy big block engines , dont take any wooden nickels
 These are premium performance cars and you need a mechanic who is as passionate about these fine automobiles as the people who created them
 So then your choice is clear
 You will be saving 50% on average parts and labor
 I have local referances you can call if youd like police men
 Doctors real estate agents i have never been called back to a job or had a complaint from a customer !!!!!!!!!!!!!
 401 441 88 48

Pictures below from todays job a 2001 BMW 740il Needed a valley pan , crank case ventilation pipe , some other gaskets and new o rings for the water pump pipes this guy saved about 50% off of his original quate of 1500\$ and also got a couple of free things done too what can you save on your next BMW or

Mercedes Benz??????????
