I am looking for someone to sublet my bedroom, in an apartment of 4 bedrooms, from the this June 1 (2015) to August 28 (2015)!!! ALL SUMMER! You will be living with two seniors at UVM and one recent graduate, all of which are very friendly, outdoorsy and fun. All of the roommates are respectful to live with, the only reason I am not living there is because I am moving, or else I would love to live with them again! Parking included, one spot just for this person. The room will not be furnished because I will be taking my stuff with me. Ideally, I am looking for a female roommate, because the other 3 people living here are females.
