

I buy broken laptops, text for immediate offer (Columbia, pickup available)

Location South Carolina

https://www.genclassifieds.com/x-436398-z

Need some quick cash for that working or non-working laptop? Well look no further, we buy them broken, virus infested, missing keys, bad hard drives etc. Just shoot me a text at with the make, model, and condition and get a cash offer almost immediately in most circumstances.
