

# Sod Install,Paver Patios,Walkways amp Haul Offs by General Contractor (Uw,Sand Po

Location **Washington**  
<https://www.genclassifieds.com/x-436404-z>

We do yard clean ups and hauling, gutters and pressure washing.

Junk and or garden/landscape clean up and haul away.

We can trim trees, shrubs, hedges, shape trees and shrubs and hedges,

haul off trash and yard debris, clean the gutters, pressure wash the walk way or patio,

edge lawns long overdue, aerate, de-thatch, fertilize, put in bark dust, weed, string trim large brush areas etc.

We have all the big tools to make the job go quickly and the truck to haul it away.

. No job too big or small. We are local and family owned.

We also do fine tuning and tidying up in an over-planted subdivision home,

ie transplant, divide perennials, edge the lawn, bring it back to its place,

spray for weeds in the lawn, make it look more manicured so its easier for you to keep up with it.
