We are Greg & Ryanne from the Seattle, WA area. We are very excited to expand our family through adoption! We are home-study approved, which means we are ready at a moment's notice and can work alongside you through the process.

A little bit about us:

We are 40 and 35 years old. We have a daughter who is now 4 years old. Whether by birth or adoption, we believe all our children are miracles, and we are excited to be able to parent another miracle baby!

We are a busy family staying active with travel (both local and worldwide), fun with friends and family, trips to the parks, zoo, and much more. The most important things in our life are our faith, our family, our friends and the memories we create together.
