I have 3 Bunnys for sale 2 tan (both girls) a black lion head bunny female one of the tan ones is mom of 2 the 2 Bunnys I'm selling she is spayed I have to many Bunnys at the moment and I hate to see them go I love them all but I'm just to overwhelmed right now and can't give them the attention they need and they deserve to be loved and played with there all great with kids they don't kick or bite and they love to be held there great in the bath tub and make little to no noise they don't smell but they do shed so I suggest bathing and bushing regularly the black lion head bunny is a show bunny she won in a couple of contest.
