I really would like to start a rock band, I'm a decent singer looking for some other musicians. Some of the artists that I'm most influenced by are Hole, Garbage, Liz Phair, Puffy AmiYumi, Shonen Knife, etc. This photo is of me if that's not obvious. My name is Ryan Baker and I'm 21. I'm not that experienced, so you don't necessarily have to be. We can figure it out together, although I am good and I definitely have what it takes to front a band, so don't get turned off by my lack of experience puh-lease. ? &;
