I may be looking for a male GSP, does not have to have papers as i have no plans to breed the dog or show the dog. But if not i must see BOTH parents.(unless hes around a year old or so which i dont mind either just cant show any bad habbits. But no older than a year) Im looking for a male, i already have a female and she is a working dog and he will join her, will be a very loving home and plenty of room to run and play and swim because his job will be to hang out with me and the female GSD while i work. (farmer) Not looking to pay out the nose for one but i dont expect it free either. please email me price and other information. Thank!
