Sara and Josh are now moving into a new place closer to school. We have until July 8th when our lease is up at our current place. Our rent is \$535 but we are looking to sublease for the month of June for \$450 plus utilities. Water is included, so electric is the only utility being paid. Our apartment is apt. 41 at Mission Madison Square, conveniently located right off of Old Hickory Blvd., next to I-65 and 10 minutes to Opry Mills and the Rivergate Mall. We are also 15 minutes to Downtown Nashville and 5 minutes to the nearest grocery stores. Contact me Josh via email or phone at

I'd.
