I have a stand-up cardboard Cigarette Girl display for sale. She's almost life-size and she's a great conversation piece. She's holding a tray which can be used for small candles (which I have done) or to hold any number of small decorative objects...
She's pretty cool..I have to move....she needs a new home

Please contact me by phone (no text) or email me with GIRL in the subject line to avoid being deleted as spam.
