

95 cc Go Kart (900 USD)

Location **Utah**
<https://www.genclassifieds.com/x-436681-z>

Go Kart great for kids. 95 cc and goes about 35 mph. Has had new parts installed recently and runs great. Starts up every time. Small oil leak from somewhere however. Just not sure how to fix it right now. Mechanic who worked on it said not a big issue and says has a great issue. Please call Jasmine at

for info.!
