2006 Toyota Sienna Limited in Pearl White
Asking \$14,500 or best offer.

Van is in excellent condition. According to CarFax report it is valued \$940 above retail blue book based on the CarFax report (which makes this a great deal since we are asking below blue book). It has never been in an accident and has no body/paint damage. The van has had regular oil changes and other services recommended by our mechanic. All Toyota recalls have been taken care of, including fixing the latch issue on the power sliding doors (a \$4,055 repair).

This has been an excellent van for our family, however we needed to upgrade to an 8 passenger, as we are expecting twins soon.

7 Passenger with quad bucket seats
Ice Cold front/rear AC
Beige Leather Seats
Heated Seats
Floor mats
Power rear seats
Backup Camera
Front/Rear Parking Sensors

Front/Side Air Bags
Navigation Stereo System with Phone Integration for Bluetooth
Satellite Navigation System
DVD Video System
Hydraulic Lift Gate (rear hatch)
Dual Power Sliding Doors
Moon Roof
Laser Guided Cruise Control (we absolutely love this feature for road)
