2006 Toyota Sienna Limited in Pearl White
Asking \$14,500 or best offer.

Van is in excellent condition. According to CarFax report it is valued \$940 above retail blue book based on the CarFax report (which makes this a great deal since we are asking below blue book). It has never been in an accident and has no body/paint damage. The van has had regular oil changes and other services recommended by our mechanic. All Toyota recalls have been taken care of, including fixing the latch issue on the power sliding doors (a \$4,055 repair).

This has been an excellent van for our family, however we needed to upgrade to an 8 passenger, as we are expecting twins soon.

- 7 Passenger with quad bucket seats
- Ice Cold front/rear AC
- Beige Leather Seats
- Heated Seats
- Floor mats
- Power rear seats
- Backup Camera
- Front/Rear Parking Sensors
