I am a singer looking for musicians to start an amazing modern rock band.

_drummer, bassist, and one guitarist

_ages 18 to 24 preferably, early 20s at best

_influences should be old classic rock such as Led Zeppelin, Aerosmith, Guns N Roses, Grand Funk Railroad, Sex Pistols,

_wanting the band to favor The Black Keys, Wolfmother, and have touches of modern day flavor while still staying true to classic blues based rock n roll.

_members must be serious and have a dream for making it with music

As a frontman, I will know how to sculpt and market this band perfectly, but to do that I will need the right members for the right ingredients.

Looking for a drummer, bassist, and one guitarist.

I am experienced with getting gigs so shows will be guaranteed.

Feel free to email and text if you're interested. If you got the right stuff and the right amount of attitude great things will happen. Without.
