Location **South Dakota**

I have a female Pitbull, her name is Bella, she needs to go to a new good home. She is good with other animals and she loves being outdoors. She is house broken but she'll get scared going to a new place. I have to place her in a new home because my Shih Tzu refuses to get along with her but, again, she is good with other animals. Asking \$200 or best offer. If Interested please call or text within the hours of 8am-10pm. Thank.
