I have a complete set of 15" OEM VW rims from a 2003 MK4 Jetta for sale. Bolt pattern is 5 x 100. Tires are fairly new with less than 3,000 miles on them. They are Goodyear Eagle Sports, which are pretty nice. Tire size is 195/65R15. One of the rims have some curb rash on it that can be easily sanded down, primed and painted. The other rims are in good to excellent condition. All rims and tires are pictured. Asking for \$325 cash. Text me if you're interested in buying

Will fit MK4 VW Golf, Jetta, '99 -
