

Seeking True Computer Geeks (Greater Richmond Area)

Location **Virginia**
<https://www.genclassifieds.com/x-436881-z>

Good Evening,

Bell Strategy and Solutions is currently looking for individuals with a high literacy in computers. The jobs you will be tasked which requires many different skill sets. If selected you would work on a free lance basis and be contracted for each job you accept and complete. There are no set hours or location to report, however keep in mind that some jobs may be time sensitive.

To begin this process we ask that you email a brief description of yourself, your passion for computer, and describe some of the work you've done in relations to IT field. There is no education requirements other than a high school diploma, we are much more concerned with the talent you possess.

If you feel this position is for you reply via email.

Best Regards

Bell Strategy And Solutions
"Elite Team Specializing in Market Strategy and Business Solutions Promoting Efficiency and."
