Location **Virginia**

Outdoor Media Agency needs project field representative(s) to visit up to 4 pre-secured Richmond-area locations that serve hot coffee-to-go to hand-deliver and set up branded coffee sleeves for display, confirming their completion through photographic and written documentation. Selected field representative must be able to take excellent pictures of the coffee sleeves in use and on display at each location. Agency may provide a camera tablet with GPS tracking for rep's use in taking pictures.

Compensation is \$25/location. Starts 5/18. Agency will ship the coffee sleeves to a local storage facility for pickup. Agency will send tablet and program paperwork to the field rep's home or preferred pickup address. Coffee sleeve boxes are relatively large, so representative should have use of a larger vehicle to minimize trips back-and-forth to the warehouse. Please reply by email if.
