

# Model Wanted (, USD)

Location **Virginia**  
<https://www.genclassifieds.com/x-436887-z>

I'm an aspiring photographer and I'm looking for a female model to help me continue to build up my portfolio. Samples of my work can be found here: <http://www.modelmayhem.com/cyphermedia>

If you are between the ages of 17 and 23 and interested in making some quick cash, please message me with your name and a few sample images of yourself. They don't have to be modeling pictures, just something to give me an idea of what you look like. I'm targeting physically fit ladies. Preference given to a nice tan. Tattoos are OK as long as classy.

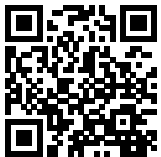

I pay different rates depending on the style of photos we do. Most shoots are done at Wyndham Virginia Crossings Hotel & Conference Center which has a golf course in the back for stunning outdoors shots. I'm also open to shooting on location with you if that makes things more convenient.

Contact me if ready to get!
