## 50 to fix my motorcycle ignition contact (west end)

同。255回

Location **Virginia** https://www.genclassifieds.com/x-436895-z

the headlight and turn signals work fine, but the running lights wont cut on unless you press on the ignition and then they only last a few seconds due to vibration. should not take more than an hour, I could pull it all out myself but would prefer someone with more experience. \$50 dollars to the first to FIX IT. no fix, no money, it just needs to work, not be
