 If this roof keeps leaking after your work, you will be expected to fix it
 We will buy all the material that you need and you do all the skilled work.
 We can assist you with the skilled work if you need a go-fer.
 We are leaving on vacation on May 15 and would like to see this completed before then.
 If you are qualified to do this and your schedule is busy, we can be flexible on the start date.
 You will be paid immediately upon completion of the.
