Hello, I have a male puppy thats is sweet and playful. I do not know how old he is. We believe he is a red heeler mix. We are not for sure though. He was a drop off and we picked him up and put weight on him. I have wormed him. He does have a docked tail. I would love to find him a great home. I cannont keep him due to already have dogs of my own. Please let me know if you would like to adopt.
