

PLUMBING PLUMBER (free estimates) (Germantown)

Location **Wisconsin**
<https://www.genclassifieds.com/x-436961-z>

I do plumbing work on the side for very reasonable prices. All work is done in accordance to the Wisconsin State Plumbing Code. Permits pulled according to Code.

I do not do service work. Only rough and finish new installations. I will also tear out existing plumbing and attach new copper or plastic to the existing system. (bathroom remodels, new construction, etc.)

I do not work by the hour, I bid the entire job. FREE!
