Hello,

We do complete rec rooms or parts(no problems with homeowners doing some of the work) drywall(hang, tape, finish, texturing, patches, water damage, steel studs, insulation, home theatre soundproofing) Carpentry(frame, interior trim, doors, cabinets, crown) Garages(insulate,drywall) , rec rooms(start to finish or certain items), complete kitchens/bath remodels, and much more. We have each been in the trades for 15 years and do this on the side. We can save you money this way and fair prices!! We have electricians,heating, and plumbers we work with so you don't have to try and find different trades people. We have many happy references and click for pictures below in photobucket!!!.Please email what you need done, phone number and where located and we can call and set up an appointment to give you free estimate. No job too big or small. Thank you and have a good day!!
