Use the back of the envelope and check the WORKER'S COMPENSATION, OWNERS AND CONTRACTORS LIABILITY, and HOMEOWNERS WARRANTY INSURANCE. If you had his name removed from White's List, you could not recover if they posted by a contractor. Neither the contractor nor the state can file a lawsuit for the price of the insurance. Last time asked for proof of insurance, never came up with it, maybe that was the reason he didn't show up again.

AVOID THIS GUY AND HIS COMPANY LIKE THE PLAGUE!! WORKS SE WI AND HAS COMPANY LISTED IN BOTH FRANKLIN AND MUSKEGO.

There are Good Contractors out there, this is not one of them!
