Professional wedding photography for much less (Milwaukee Area)

Location Wisconsin https://www.genclassifieds.com/x-436970-z

Looking for a friendly, laid back, professional photographer for your wedding but can't afford the very high prices that most photographers charge these days? We are experienced with over 200 weddings photographed. Our price for a Milwaukee area wedding is just \$350.00. We will cover your ceremony, photos after the ceremony, the dinner and speeches, your grand march, your special dances such as the first dance, parent dances, garter and bouquet toss and any other special dances. Up to 9 hours of photography. At the end of the evening before we leave, you will receive a usb drive containing all photos that were taken. Usually between 600 to 750 pictures, depending on the size of wedding and how active everyone is. You can view photos of past weddings and more about us at my website at http://www.photosbygary.weebly.com Check us out and then give me a call with any questions you may have or to see if we have your date available. We look forward to hearing from you and sharing in your special.
