Hello!

My name is Tayler and I have a unique situation. I'm looking to move to Utah within the next few months, preferably by September.

I'm interested in being a Live in nanny for a small family. I have some experience, including working at a daycare and raising a younger brother for 7 years. I absolutely adore kids and hope to have a few of my own someday. I'm 22, but I'm an old soul and very grounded. I enjoy being outside enjoying nature, painting and playing guitar. I'm open to many different opportunities and I'm really hoping this works out.

Please contact me if you're looking for a babysitter or nanny.

Thank!
