Seeking fun loving girl out there to help out and take some stress out of your life and have fun while doing it! If you are a woman need help with college expenses, you are just having a tough time paying the bills or you are working part time and need some additional cash to make ends meet, Maybe I can help. This is not some kind of babysitting gig so do not treat it as such. I am looking for a woman to hang out with privately a few times a week for financial help.

I will treat you with respect and I hope you can do the same for me. This will all be totally discreet. Please reply with a few pictures. Maybe we can work something.
