Hi to all fellow parents! :) I am the stay at home mother of two young children and a part-time college student. I am accepting new children into my home to provide child care for working parents during their busy work week and during your child's summer vacation. I have plenty of experience with kids of all ages and love teaching them and showing them new things and just having lots of interactive, hands on FUN! I strive to incorporate Christ-centered activities into our day! I have a clean and orderly, child/baby proof home and a fenced in back yard for an opportunity for outside play. You will be expected to provide diapers & food as well as drop off/pick up at set time. Pay will typically run at \$25 per day per child. Located in the Ashley Glen subdivision near John Rolfe Parkway. Please feel free to e-mail me if you are interested or have any further questions! Thank you so much for your interest and I look forward to speaking with you.
