Need gone ASAP.. apartment is kicking her out due to aggressive breed. She is a sweet girl, house trained, potty trained, loves people, she is both off leash and leashed trained. Her rehoming fee will be 350. The reason for this is because she is currently enrolled at banfield hospital for a 6 month plan she will be on it for 3 more months which includes free vet visits and discounts on any prescription, I will continue paying for that so just let me know when you take her. It should still be active for another 3 months. Give me a call soon has to be gone in by sunday morning.. or ill give her back to her breeder who will only sell her for 800 or more, instead of care for her so its the last thing I want to do.. please. Price is firm because Ill still being paying her monthly vet.
