

2 male kittens 6 weeks old (CHESTERFIELD)

Location **Virginia**
<https://www.genclassifieds.com/x-437068-z>

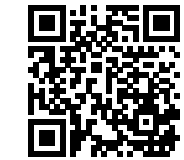

my cat had an accidental litter and we have an appointment to get her fixed next week at brandermill animal hospital. we have a 2 male kittens available needing homes they will be exactly 6 weeks old Friday. so wont let leave until this weekend. asking \$65 per kitten to help get mom fixed. kittens will get first series vaccines Friday and has already been given worm medicine twice. I can include some food for a few days. and a few toys. text me only please im at work most of the day and I don't answer numbers I don't know sorry oh they use the litter box and eat hard food any other questions please ask.

grey and white is medium to long hair
and brown stripy kitten is short to medium
