Much like a Social Security Number, an Employer Identification Number (EIN) is a federal nine-digit number that identifies a business entity. The Internal Revenue Service (IRS) issues EINs and requires their use on all tax filings during the entire life of a business. The IRS generally requires the following types of businesses to obtain an EIN:

All corporations

All Limited Liability Companies (LLCs) with more than one member Any business that hires employees, including sole proprietorships and single-member LLCs

and cost-effective.

If possible, we will deliver your EIN within 15 minutes of receiving your application if it is the same business day. If not, we will process and obtain your EIN the morning of the business day. We work M-Saturday 9am to 9pm

This EIN is your permanent number and can be used immediately for most of your business needs, including:

Opening a bank account

Applying for business licenses

Filing a tax return by mail

However, it will take up to two weeks before your EIN becomes part of the IRS\'s permanent records.

You must wait until this occurs before you can:

File an electronic return

Make an electronic payment

Pass an IRS Taxpayer Identification Number (TIN) matching program
