

Primitive Skills Group (Fire by friction etc.) (Lake Heath Park)

Location

Alabama

I like practicing primitive skills such as fire by friction, fire by flint and steel, and flint knapping. I guess a few others out there do to. Just a get together of good folks. You can borrow some things, like a fire steel etc. I can teach some things and maybe someone else can teach a different skill. I have a few things to sell- fire steels- but the focus is making things on your own. Meet at the north end of Lake Heath Park off Weems Road. Bring a chair in case a birthday party takes over the shelter. Bring knives but no guns except CC permit holders that keep them out of sight.

Who: Anyone interested in primitive skills.

What: A get together to practice primitive skills.

When: Saturday, May 30th 9 am - 12 pm.

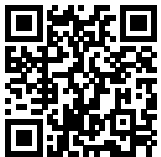

Where: Parking Lot Area, North side of Lake Heath Park. Columbus, GA 31909

Rainy Day?: Meet in.
