Hi Ladies, Ever want to model for the camera and get some awesome sexy or erotic photos for your own private use? If so I would enjoy hearing from you. For years I have been shooting Boudoir, nude, implied or semi nude, erotic and kinky photos of woman who just love to see how sexy the shots can come out. Maybe you just want them for yourself or your partner no matter what the reason you will have a fun time having the photos done. 100% safe, totally discreet and I shoot at your location so you have all your cloths, makeup and surroundings to have you completely comfortable during the shoot.

Right now this is my way of giving back and I do 2 or 3 free shoots a month as my time permits. So if you are interested, tell me about you and include a photo or two. I look forward to hearing from.
