

Looking for girl kitten (Wherever)

Location

Georgia

<https://www.genclassifieds.com/x-437201-z>

In Coweta County, but have no problem with driving! Just want a female baby kitten for my 16-month old daughter to love on and experience her having a litter of kittens down the lines. It's an awesome experince and tons of fun. Want my kids getting to have it. Will pay a copay, you can visit my house, whatever, I'm only here to make the cats (and my babies) life!
